HEALTH INFORMATION

Complete this form annually to inform us about your student's health condition that affects his or her school day

This form is necessary to inform the Public Health Nurse (PHN) of your child's health status and to plan for health needs that may impact his/her school day. Information is only shared with required school staff as needed. Information provided on this form is protected by the Family Educational Rights and Privacy Act (FERPA) as part of the student's educational record and is securely stored in the health room. For any changes to your student's health condition during the school year or questions regarding this form, please contact the PHN through the health room at your child's school.
