Hi Woodburn! My name is Sofia Andreoli and I cannot wait to be a part of this wonderful school! I will be the Special Education teacher for Kindergarten and First Grade. I recently graduated with my Masters from the University of Virginia in Special Education and Elementary Education. I love working with the little kiddos and I am eager to start in-person learning after a tumultuous year. Some things I love to do in my free time are go to the gym, cook delicious meals, hang out with my German Shepherd and travel! I love learning about different cultures and countries so much that I lived in Madrid, Spain for two years and can speak Spanish fluently. I am so excited to get to know all of you!
