

Meet Your Lees Corner Clinical Team

Olivia Yellen
School Social Worker

Hi Lees Corner! I am your school social worker for the 2021-2022 school year. My role is to assess and address those social, emotional, and behavioral factors that may stand in the way of students reaching their full potential. Additionally, I can help you find resources within your community, strengthen your child's skills through psychoeducational groups and short-term counseling, and provide you and your family with support as you navigate the school year. This is my fourth year at Lees Corner and I am looking forward to continuing my work with you and your student!

David Glasser
School Psychologist

Hello, LCES students and families! I am your School Psychologist for the 2021-22 school year. This is my second year at Lees Corner and I'm excited to continue my work with our students. My role is to collaborate with school staff, parents, and students to support wellness and mental health throughout the school and for individual students. I can assist in consultation for student resources and for several aspects of academic, behavioral, and social/emotional support. I also support the continuum of services using data-driven analysis and assessment to ensure that all students succeed at their potential.

Jenny Spears
School Counselor (Grades K, 2, 4, 6, SPED)

Hello Lees Corner Families! This will be my 7th year at Lees Corner and I'm looking forward to another great partnership to support you and your children. Your children will receive support on various life skills through our classroom guidance lessons. In addition, I offer small group counseling on a variety of topics as well as individual student counseling.

Megan McAndrew
School Counselor (Grades 1,3,5)
