

**Chesterbrook Elementary School**  
**Private Tutoring Options 2021/22**

Dear Parents and Guardians,

As we begin our new school year, parents have requested private tutoring options for the school year. Below is a list of Chesterbrook staff who are available for private tutoring.

Parents are free to contact the staff members listed below to make such arrangements (pricing, subject matter, and frequency) for the school year. In this capacity, staff members are considered private contractors and any arrangements made are between the family and staff member.

During the school year, FCPS staff are not permitted to privately tutor their own students for compensation. Grade level teachers may run different programs throughout the year. Therefore, we do not have grade level teachers tutor their same grade level during the academic year.

The Parent Resource Center also maintains a current list of all FCPS staff who are available for private tutoring. Parents may contact the Parent Resource Center at [prc@fcps.edu](mailto:prc@fcps.edu) to request that listing.
