

Real Assistive Technology for Everyone (RATE) Conference

Assistive Technology to Enhance Learning for All Students

Saturday, October 23, 2021

9 a.m.-12:30 p.m.

This year's conference will be VIRTUAL with synchronous (live) sessions.

The RATE Conference is an educational conference that focuses on strategies for using assistive technology hardware, software, and peripherals to enhance learning for all students, especially for those with special needs. Sessions will focus on high and low incidence special education assistive technology supports, as well tools to help students using augmentative and alternative communication.

This year's keynote presentation features the Thomas Jefferson School for Science and Technology Assistive Technology Club.

All FCPS Staff, Parents and Community Members are invited to attend!

- ◆ **Registration** for all participants is open online on the conference website.
- ◆ **FCPS Staff** can earn 5 recertification points for attending the conference.
- ◆ **Email** atssupport@fcps.edu with questions.
- ◆ **Assistive Technology Share Fair** Video Resources.
- ◆ For more information visit www.fcps.edu and search "RATE Conference 2021".

The 2021 Real Assistive Technology for Everyone (RATE) Conference, is sponsored by Assistive Technology Services (ATS), part of the Office of Special Education Instruction in the Department of Special Services.
