

Fall 2021 PROGRAMS After-School Enrichment

All classes meet for 10 weeks!

Registration ends Monday, Oct. 18th. No late registrations will be accepted!

As we resume after-school classes and enrichment programs, we are primarily focusing on teacher-led classes and are slowly rolling out options to ensure continued safety for our Westgate students. This year, we will be having two longer sessions of after-school classes instead of three. The second session will begin in early March.

Please assist us with this process by registering your child online at

<https://westgatemembers.com/w/afterschool> by Monday, October 18th. Paper registration and scholarship forms will be available in the Main Office if you are unable to complete the registration online.
