MESSAGE FROM THE PRINCIPAL:

Dear Lake Braddock Fans and Guests:

Welcome to Lake Braddock Secondary School and our athletic season! We are so excited to have your back supporting our Bruins!

We have so many events and activities at Lake Braddock and we sincerely hope that you have a great time attending and supporting our kids, teams and school. Your support of our athletes and attendance at our games, whether in person or online, is vital to the success of our athletic programs.

We are extremely proud of the hundreds of young men and women who represent Lake Braddock Secondary School, not only in athletics but also in so many other worthwhile student activities. With more than 100 teams, clubs and other school organizations, our students have an opportunity to continue to build on the traditions of Lake Braddock that were established almost 50 years ago.

We have amazing faculty and coaches and they work hard to develop strong values of sportsmanship and citizenship in our student-athletes. I would like to congratulate our students, athletes, coaches, and families for positively representing our school, both on and off the playing fields.

To our Booster Clubs, parents, community, and friends, we thank you for your support of our students. The quality of programs that we provide would not be possible without your support. We wish all athletes, coaches and teams the best of luck, and we are delighted that you could join and support our Bruins.

Burke Athletic Club was proud to provide $500,000 to partner with the Lake Braddock Athletic Boosters and support the building of two brand new artificial turf fields at Lake Braddock Secondary School. It is a partnership that will bring thousands of young athletes to Lake Braddock every year while providing year-round field access to the community, as well as, the Lake Braddock sports teams and PE classes.

WE ARE THE BRUIN NATION

BRUINS FAMILIES,

Our new school year is already off to a great start! It has been invigorating to watch our athletes in action in each of our fall sports. While there are still many unknowns, we have come a long way over the past year and we are incredibly proud of how hard everyone has worked to get our teams safely back on the fields, tracks, golf course and in the gym this season. It has been amazing to once again be able to gather as a community to cheer on our athletes and teams and we encourage you to come out and show your support! We are extremely proud of all our student athletes for their commitment, continued hard work, dedication, and for creating Bruin excitement. Through it all, we have truly remained Bruin Strong!

Each year the LBABC raises significant funds that support our athletic programs and student athletes. In addition to providing uniforms, equipment, and field maintenance the LBABC also funds annual scholarships for our graduating senior athletes. In 2021, we awarded eight scholarships for a total of $6,000. We also continue to pay off the turf field. Last year, due to the pandemic we lost a lot of revenue and had to get more creative, which led to the creation of our Virtual Program for all sports. The program was such a success that we chose to do it again this year. Check back often as it will continue to evolve throughout each season and throughout the school year as we add new rosters, pictures, and new sponsors. We will once again have a commemorative print edition available for sale that will be delivered in the late spring after we have had a chance to get our spring sports season underway and can include our spring teams in the program.

Our Booster members and sponsors each play an important role in helping our organization to thrive. Thank you to our Booster members who spearheaded this Virtual Program and to all of our Members and Sponsors for supporting our Booster club and student athletes. If you haven't joined yet, it's not too late! Click here to join and enjoy all of the benefits of membership including admission to all regular season home sporting events. We encourage you to support those who are supporting us by clicking on the links to our Athletic Booster sponsors! We are thankful for you, the generous and dedicated Lake Braddock family and fans who keep our athletes going. We appreciate our Activities Department under the leadership of Janice Pritchett, Director of Student Activities, and our invaluable Athletic Trainers, Kristyn Wharton and Brittany Arndt and all of our dedicated coaches.

We wish you all a safe season! We are excited to have you back competing this year!
Go Bruins!!
