

**Car crashes** are the leading cause of injury and death for teens

**Reality Check** is a unique program that focuses on driver safety and education

**This free three-session webinar series is designed for teen drivers and their parents or guardians**

**November 1** - Graduated License Procedure, State Farm Insurance

**November 8** - Drinking/drugs, Being a trauma patient, Local statistics

**November 15** - Trauma Survivors

**Sessions are progressive, building upon each other.**

**The program includes:**

- Interactive slideshow and video presentation
- Q&A with Fairfax County Fire & Rescue
- Crash survivors who share their experiences
- How to be an effective role model for teen drivers
- How to coach and teach teen drivers
- How to talk about decision-making, alcohol, and other difficult subjects
- How to implement a parent-teen safe driving contract

**Each webinar runs 7:00 - 8:00 p.m.**

Participants who attend all three sessions will receive a Reality Check completion certificate
