

Everything You Need to Know about Marijuana in 1 hour: A Webinar for Families

Friday, January 28, 2022, 10-11 a.m.

"Everyone's doing it" is what most teenagers will say about marijuana, but truly only about 20% of teens have used marijuana in the last 30 days. During our session, we'll talk about a myriad of topics relating to marijuana to include: THC vs CBD, legalization vs decriminalization, the various ways marijuana can be consumed, and more.

Legalization vs decriminalization

Drug use and the pandemic

THC's various forms of use

THC through the years

THC VS CBD
