Student:	Teacher:
Username:	Password:

Step 1: Login to your student laptop with your network login (student ID#) and password and connect the laptop to your home wireless network.

**If you are unable to afford internet access in your home, please contact our School Counselors- Anne Flannagan (AJFlannagan@fcps.edu) and Megan McAndrew (msmcandrew@fcps.edu)
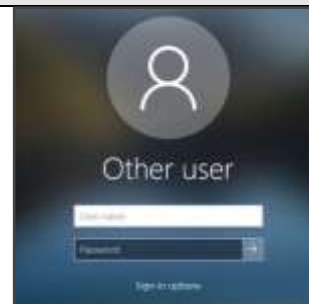

Step 2: Open Google Chrome and login to your Google Drive.
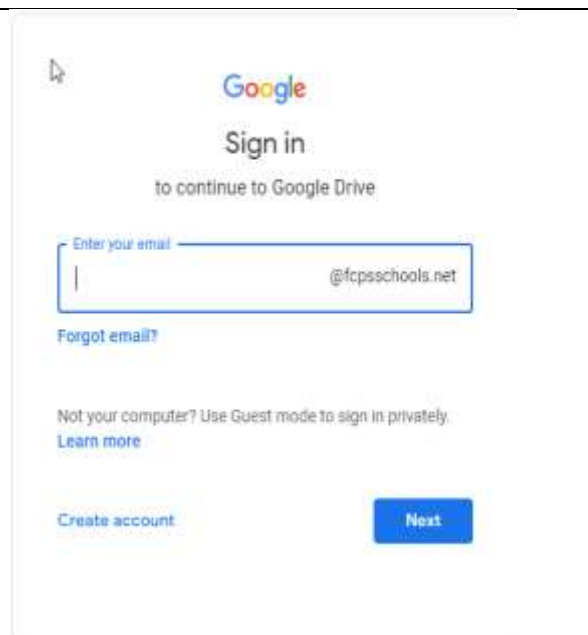

- Open the Chrome Browser on your computer 🌐

- Go to www.fcps.edu and click on the **Google Workspace** link at the top of the

  page.

- Enter your student ID number and click **Next**
  Example: 123456789@fcpsschools.net

- Enter your password and click **Next**

  **when logging into Google, the username is the student's ID number AND @fcpsschools.net example: 1234567@fcpsschools.net*

**Step 3:** Access Schoology lms.fcps.edu

- *If a student is signed into Google, they should not have to login again at this point. If prompted, use your network FCPS login.*

- Click on Courses and locate your class Schoology Homeroom Course

- Once in your classroom, click on the Zoom icon to locate your classroom Zoom link. This will be used for any virtual learning experience. You do not need to login at this time, since this is just a practice run!
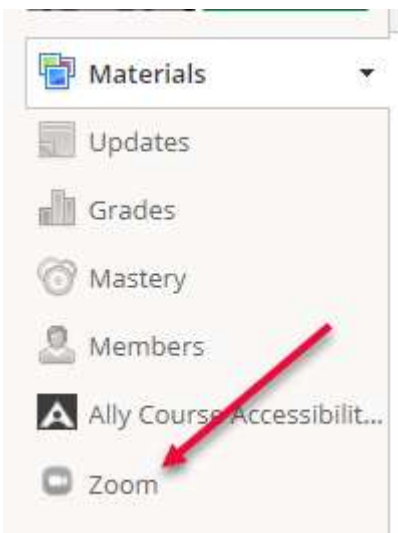

Additional Schoology Support: Visit the GBW Student (login as student) or Parent Site (login with ParentVue account) and click on the Parent & Student Help folder

Step 4: Access learning tools such as ST Math and Imagine Learning (Imagine Reading only for upper grades.

- Open Chrome and login to Schoology lms.fcps.edu.
- Click on the waffle for the link to Clever.

- Login with Google (if not already logged in)

- Scroll down to FCPS Applications and click on the link for Imagine Literacy or ST Math.
