

Congratulations to the cast and crew of the **VSHL One Act Play Competition**! The **Chantilly Theatre Department** took first place at Regionals and will be moving on to compete at the state level on March 5th. 'A Moment', written and directed by theatre teacher, **Shannon Spicer**, explores the importance of the small moments in life that we often overlook in the rush of everyday life. Senior, **Julien DaSilva** and Junior, **Micaela O'Rourke** were both recognized on the "All Start Actors Team" by the judges, which accounts for the top eight actors in the entire competition.
