

LEARN, GROW, GO!

Virtual School Garden Q & A

Wednesday, March 23rd
4:30-5:30 pm

Join Arcadia for our monthly virtual hour long conversation where we will show you simple ideas for starting and managing your school garden. There will be plenty of time for Q&A to hopefully answer all your questions and get you set up for a bountiful Spring Garden.

Register at:

<https://www.eventbrite.com/e/288122501157>

Note: We will be recording this event for those that have registered.

The "Learn, Grow, Go!" workshop series is part of the Live, Eat, Grow School Partner Program
