

Online Tutoring Services Notice & Opt-Out Form

We are excited to share a great opportunity that is available to all FCPS students! Your child now has unlimited access to 24/7, on-demand, online tutoring support services through Tutor.com. Students can connect online any time, any place, and in most subjects for however long they need. Tutoring may be on-demand and/or scheduled at a time convenient for the student and/or family.

Tutoring is focused instruction provided to students in a one-on-one format (voice and/or text chat). Tutors will focus on developing your student's strengths and capabilities in reading, mathematics, or other specified subjects. Tutoring services may be accessed before, during or after school hours and/or weekends.
