

VRES PTA Presents

SCIENCE QUEST 2022

Free Event! Registration is open until April 19th, 2022

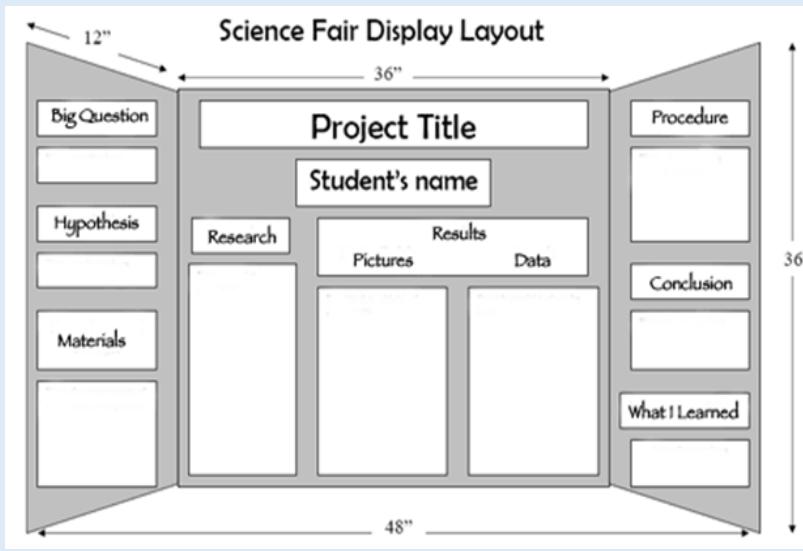

Open to all students
Grades K-6

Thursday May 19, 2022
6:00pm-7:30pm

- All VRES students are welcome to participate in the Science Quest by **creating and presenting science projects**.
- Students may participate **individually** or in **groups**.
- Each team must be represented by an **adult coach**.
- This is a voluntary activity overseen by the parent coach. All work presented must be the students' work while coaches may act as guides and supervise the investigation.
- **Awards and prizes** for all participants!

Here is an example of the TRI-FOLD presentation required to "show" the night of Science Quest:

How do I sign up?

Signup online using this google form:
<https://forms.gle/e9hxFM77r6noLFsY7>

Register by **April 19th**!

For **questions** or to volunteer for the Science Quest, please contact:
Sarah Cullen srdcullen@gmail.com
Jenny Chmara: JenniferyChmara@outlook.com

How do I get started?

- Team up with a friend
- Find a coach (Parent or Guardian)
- Discuss your ideas
- Decide on a project
- Ask your Question and form a Hypothesis
- Perform Project Research
- Test your Hypothesis
- Analyze your data
- Draw a conclusion
- Create a poster / presentation

Project Ideas

- Why do leaves change color?
- Why do skittles dissolve in water?
- What makes ice melt faster?
- How does a plant absorb water?
- Why do apples turn brown?
