

### **When do AP exams take place?**

AP exams begin on Monday May 2<sup>nd</sup>, 2022 and will conclude on Tuesday May 17<sup>th</sup>. Please visit the CollegeBoard website to confirm your test date. Students who have conflicts with exams during the regular testing window will test during the May 18<sup>th</sup> to May 20<sup>th</sup> testing window.

### **What do I do if I have two AP exams at the exact same time? Does one exam have priority over the other?**

If you are scheduled to take 2 exams on the same day **AND** you have not been contacted previously by Mr. Mantel, please email as soon as possible (armantel@fcpes.edu) in order to discuss which exam has been assigned for the late test window. Late testing window will be May 18<sup>th</sup> through the 20<sup>th</sup>. If you have 2 exams on the same day but **NOT** at the same time, students are expected to take both exams.

### **What should I bring on exam day?**

Students need to come prepared with wooden number 2 Pencils (no mechanical pencils), a good eraser, and pens with black or dark blue ink to every exam they take. A watch is suggested in the event that exam room clock cannot be easily seen. Please make sure the watch does not beep. Calculators are allowed only for some or all parts of AP Exams in these subjects: Biology, Calculus (AB/BC), Chemistry, Physics 1, Physics 2, Physics C: Mechanics, Physics C: Electricity and Magnetism, and Statistics. Calculators are **NOT** allowed for any other AP Exams. Students may bring up to two permitted calculators to the exam. Graphing calculators must be on the approved calculator list. See your teacher to confirm that you are using an approved calculator. A ruler or straightedge if you are taking an AP Physics exam.

### **What time do AP exams start?**

Students need to report to their testing locations at 8:15 am for morning exams and 12:15 for afternoon exams. It is suggested that students allow for enough time to make it to the testing locations well before the posted times.

Please note that most exams are 3+ hours in length which do not take into account instructions, breaks, and handing out/collecting of materials. If you are taking an afternoon exam, chances are students will not be finished before the end of the school day to catch the bus. Bus riders need to make arrangements for rides on the day of afternoon exams.

### **Where do I report on exam day?**

AP teachers will be notified in advance of the exam sites and share this information with their students. Most testing locations will consist of the Aux Gym, Library, and Lecture Hall. A schedule will also be posted in the main office and outside of the above locations.

### **May I leave school after my AP exam is over?**

Langley High School expects students to be present in class when not taking an AP Exam, but recognized that students may not be able to focus on their classes just prior to or after an exam. The following rules will be in effect for AP exams: Students wishing to leave after a morning exam or arrive later in the day for an afternoon exam must fill out the AP Excused Absence

Form. This form is an excuse form for any and all AP exams. Excuse forms must be turned to Mrs. Schultz in the attendance office as soon as possible but no later than April 26th. Forms will **NOT** be accepted after this date. No passes will be issued through the attendance office and phone calls, emails, and faxes will not be accepted during the testing weeks.

**What do I do if I'm sick on the exam day?**

Parents or students must contact Mr. Mantel if the student is ill on exam day and this must be done before the start of the exam. The College Board allows late testing only for serious illness and documentation from a non-related physician will be required.

**What if I am late to my AP exam?**

College Board has strict guidelines as it relates to students who arrive late. If students arrive after instructions have been given and the exam materials have been unsealed, students may not be able to sit for the exam. Mr. Mantel will be in touch to see if a late test could be administered.

**Can I bring my cell phone, backpack, snacks, with me to my AP exam?**

Under no circumstances will cell phones, PDA's, MP3 players, pagers, smart watches, or any other electronic or communication device will be allowed in the testing room. These should be left at home, in teacher classrooms, or in cars. Any device brought into the test site will be taken from students and given to the main office. We assume no responsibility for the security of these devices. The use of or mere presence of these devices during the exam or at break may result in invalidation of the entire exam room in accordance with College Board Guidelines.

Backpacks and purses are not allowed to be brought into the testing room. If backpacks need to be brought students are encouraged to leave them with their AP Teacher or in the car. We assume no responsibility for belonging left outside of the test sites. Please **DO NOT** bring any valuables.

Water and snacks may be brought for consumption during the break. Only clear water bottles with labels removed and snacks in clear plastic bags will be allowed.

**When and how do I find out my AP exam scores?**

Students will receive their AP Exam scores online at [apscore.org](http://apscore.org). They will need a College Board account to access their scores and should create/confirm their username and password as soon as possible. They will also be able to use their FCPS student ID number to check scores online. In addition, when students fill out their AP answer sheets, it is important that they do so carefully and consistently each year.

**Who do I contact if I still have questions?**

AP teachers are a great resource regarding questions regarding their specific AP Exams. All other questions can be directed to Alex Mantel, School Counselor and AP Test Coordinator
