

The Chantilly Pyramid Art Show was back in a big way!!

On Wednesday evening April 20th Chantilly High School hosted it's 1st in person Pyramid Show since the Pandemic, and it was a huge success! The Chantilly Visual Art Department invited all the schools in the Chantilly Pyramid (elementary and middle schools) to feature their best student artists and artwork, alongside Chantilly High School's best AP Art, Studio Art, Photography, Digital Art, 3d art and the artists who created it.

The show was a true celebration, with everything from professionally displayed artwork, to Make-it Take-it art, and food trucks. Beautiful hand-painted, one-of-a-kind stools were even raffled off by the National Art Honor Society, so a few lucky individuals were able to own some authentic Chantilly masterpieces for their home.

Hundreds of art pieces were displayed, and it was an overwhelming/daunting task to select the award winners (so much amazing art!!).

Kudos to all, but Special Congratulations to the following students:
