For those who wish to participate but cannot attend, the meeting will be recorded and posted on the [project webpage](#) after May 19.

Study Background

The Lincoln Street corridor is located east of the I-495/Route 123 interchange and connects Old Meadow Road on the west and Magarity Road on the east, crossing Westgate Park, Scotts Run stream and the Scott's Run Trail.

The Lincoln Street corridor provides an alternative access route from Old Meadow Road to I-66 and the McLean area, bypassing portions of Route 123. Access is also provided to Westgate Elementary School, and other residential and institutional properties situated in the Magarity Road/Pimmit Hills area.
