

## CAREER AND TECHNICAL EDUCATION

# CTE SUMMER ENRICHMENT!

Create | Explore | Learn

## 2022 PROGRAMS

**Tech Adventure Camp:** Students in grades 2 - 6 explore STEAM, culinary, health, trades, and computer science by rotating through daily classes

**CTE Summer Academy:** Students in grades 7 - 11 choose their classes and dive deeper into Career and Technical Education (CTE) programs, skills, and career exploration

## DETAILS

Cost - \$275 per week\*

Dates - July 11 - 15; July 18 - 22; and July 25 - 29

Time - 8:30 am to 2:00 pm\* (Early drop off is available!)

Location - Lake Braddock Secondary School

Transportation from select FCPS schools is provided!

Weekly themes and classes can be found on our camp websites

## WHAT WE DO

- Offer hands-on, exploratory activities for students in multiple areas
- Help students make connections to potential career fields and develop new workforce skills
- Teach students about the engaging and exciting content in CTE program areas
