Private Summer Tutoring Options 2022

Dear Parents and Guardians,

As we close our 2021/22 school year, parents have requested private tutoring options for summer. Below is a list of Chesterbrook staff who are available for private tutoring. Parents are free to contact the staff members listed below to make such arrangements (pricing, subject matter, and frequency). In this capacity, staff members are considered private contractors and any arrangements made are between the family and staff member.

The Parent Resource Center also maintains a current list of all FCPS staff who are available for private tutoring. Parents may contact the Parent Resource Center at prc@fcps.edu to request that listing.
