

Teachers, Staff, Friends, Parents, & Freedom Hill Family -

For the past ten years, I've had the utmost privilege of working for Fairfax County Public Schools. For the past five years, I've been fortunate, lucky, and grateful that my professional home has been with Freedom Hill. However, my personal life is taking my teaching journey to Baltimore County. This summer, my husband and I are moving up there for his job and to buy a home near our family and friends.

To my **AH-MAZING 2<sup>nd</sup> Grade Team** – EACH ONE of you has been so supportive and helpful this year (*every year!*) and I will forever cherish the memories we've created together. I know I can always rely on you as my support system - both in and out of school hours. From open houses, spirit days, planning days, virtual learning, and field trips – I'll treasure all of the moments we spent together.

To my **Previous and Current Students** – I am so proud of the people you have become! One of the best parts of teaching 2<sup>nd</sup> grade is having the opportunity to foster your love of learning and encourage character growth and independence. To all of **Your Families** – I sincerely thank you for trusting me with your children during some of their most fundamental years. I feel incredibly fortunate to have had such supportive parents over the years.

I truly hope to be as lucky as I have been to discover a new school and community that mirrors Freedom Hill, but I know that nothing will ever compare to the collaboration, love, support, and smiles Freedom Hill has gifted me. I'll always just be an email/call away.

Thank you ALL so much and Happy Summer Break!

Sincerely,

Mrs. Caitlin Wilson (Pratt)
