

Starting a new job, in a new grade, in a new county, newly married was a very challenging experience, but coming here to Freedom Hill was the best thing that could have happened! I have felt so welcome in this community by the administration, staff, and students. I have loved working at FHES with my colleagues these two years, but I have decided to leave education for the time being and try working in the corporate world, starting out as an office manager.

I will miss you all and am very thankful for the experience and friendships I have made! Thank you for your support and good luck next school year, but first teachers and students, enjoy your summer!

Much love to all,  
Abigail Manzo
