

WILLOW SPRINGS ES SCIENCE OLYMPIAD CLUB 2022-2023

Science Olympiad offers students the opportunity to improve their understanding in science, technology, engineering and mathematics (STEM) and to work together in teams to learn new skills. Virginia Science Olympiad (VASO) is a non-profit organization engaging and challenging students in these disciplines through team-based competitive tournaments in Virginia.

This year The Olympiad will be Hybrid. Written tests will take place online using the same platform we utilized last year. All written tests will be held online at school at the same time On **November 12th**. Building events will take place in person at Langley High School on **November 12th and/or 19th**.
