

## STRINGS AT KINGS GLEN!!!!

Dear Kings Glen Parent or Guardian:

Fall 2022

It is my pleasure to invite your child to participate in the Kings Glen Strings Program. As part of the Fairfax County Public Schools Music Program, free instruction through the school is offered on **VIOLIN, VIOLA, CELLO** and **BASS** for all students in grades 4-12. Elementary students will receive a 45 minute lesson once a week during school hours and all books and music will be supplied by the school.

**EVERYONE**

CAN LEARN A STRING INSTRUMENT -

**YOU**

CAN TOO!

COME **DISCOVER**

A BRAND-NEW LANGUAGE THAT YOU CAN

**SHARE**

For your student to participate in Strings this fall, you will need to acquire an instrument for them to play.

1. We recommend taking advantage of one of the rental programs with the local music stores (I have a printed list if you need one). We discourage online purchases as it is very hard to identify a well playing instrument without seeing it first.
2. Students who have applied for the Free and Reduced Lunch Program may rent a county-issued instrument for a nominal fee (\$20 for the year - violin, viola only but cello/bass based on KG availability).
3. Kings Glen also owns a few instruments for rent (\$72 for the year - **based on availability**). Please email me if you have any questions about acquiring an instrument. [mckeenan@fcps.edu](mailto:mckeenan@fcps.edu).

If your student is interested in joining Strings, please scan the QR code on the next page and complete the form electronically **OR** fill out the attached form and return to your student's classroom teacher **NO LATER THAN FRIDAY, SEPTEMBER 9**. Once the enrollment period has been completed, you will receive more information about the first week of Strings instruction. Students who have previously been enrolled in Strings and wish to continue for the upcoming school year also need to fill out an enrollment form.

If you have any questions, please contact me at Kings Glen Elementary at [mckeenan@fcps.edu](mailto:mckeenan@fcps.edu). I look forward to meeting you and working with your student!
