FCPS allows parents the option to send weekly grade reports for students. This progress report includes only a snapshot grade of each of the seven classes. The progress reports you will be sending will be detailed (including all grades that make up that snapshot grade) and any additional notes you would like to be included. We know the first progress report will include little grades. Please use the opportunity to include a note to your families about what they can expect this year with progress reports and the rolling gradebook.
