Electrical Construction & Engineering

We are excited to announce that our repair service is back and ready to help all teachers and staff. Our Electrical Students are prepared to help you fix those small electrical devices that would just end up in the trash. Electronic toys, lamps, power cords, tools, holiday decorations, phone charging cables or any other electronic devices that just don't work any more.

WE CAN HELP!!!

No project is too small or too big! Okay, maybe some projects are too big. 🤔

- Have an appliance or light fixtures not working??? We can help!!!**
- Need wiring done on your boat or kayak??? We can help!!! (As long as you can get it here)**
- Your kids have light up shoes that don't work any more??? We can help!!!**
- Holiday décor or lighting not working? We can help!!!**

Log into your fcpsschools.net net account and use the QR code to schedule a pick up. You can also schedule a drop-off time before/after school or during 5th/6th Period on Wednesdays.
