Minors	\$175	One practice, one weeknight game, one Saturday game. The minors are geared for players who can demonstrate fundamental throwing, fielding, and hitting skills, but are still learning to apply them at game speed.
Machine Pitch	\$150	One practice, one weeknight game, one Saturday game. A player's first experience with an umpire. As one of our best offerings, we recommend players spend 2-3 seasons in Machine Pitch depending on skill level.

Tee Ball	FREE IN DECEMBER	One practice, one Saturday game. Players hit from a tee, and begin to learn the fundamentals of hitting, throwing and catching. Focus is on enjoyment of the game.
Blastball	FREE	A 30 min practice followed by a 30 min game on Saturday. A Guardian-and-Me experience and a great introduction to baseball for 3-4 year olds.
Buddy Ball	FREE	One practice/game on Sunday mornings. Buddy Ball pairs players with disabilities and a high school buddy to have fun, build confidence and self-esteem, and learn sportsmanship and love of the game.
