At Olde Creek Elementary School Sponsored by PTA

It's springtime and that can mean only one thing, it's time to register for our new spring classes. If you think your student is wanting to be an architect, they will love our city skyline lesson. Learning to develop and apply patterns is the focus as our artists venture out into the wild as they create an intricate zebra drawing. Later, our students will learn about cool and warm colors with the patterned flowers lesson and realism with the tower bridge and our art history lesson focusing on Gustav Klimt. Of course, it wouldn't be spring without a drawing of new baby bunnies and a fawn. And you do not want to miss out on a brand-new drawing, fresh off Ms. Bette's desk, a beautiful Indian bride.

Young Rembrandts' Educational Mission

Young Rembrandts is the intelligent afterschool art enrichment program for kids. We provide fun and educational drawing classes for children to encourage process learning and develop critical thinking skills. Our proven method step-by-step curriculum utilizes and develops a unique 'dual-brain' skill-set; Teaching a creativity dominant right-brain activity using a logical dominant left-brain methodology. Children taught using our method develop increased patience, discipline, focus, creativity, imagination and confidence. Young Rembrandts program fosters Pre-K children the ability to follow directions, fine motor skills, handwriting readiness and attention to detail.

YOUNG REMBRANDTS provides all classroom supplies and a trained instructor. Classes are held at the school site after regular school session.
