

The Franconia Penguin Talent Show

Franconia Elementary is proud to present the 2023 Penguin Talent Show. If you are interested in auditioning for a spot in the show, you and a parent will need to read and agree to the guidelines below. Then you must fill out the permission slip form. Next, return the form to Mrs. Yortzidis by **April 26th**.

Please carefully read the guidelines before signing the form.

1. Students are asked to discuss their ideas for the talent show with their parents. **Parents need to make sure song choices or the performance piece is appropriate for a school talent show.**
2. Teachers and administrators will help determine if the act is appropriate and demonstrates talent when the child auditions.
3. Students must know their entire routine for the audition. A panel of teachers will determine if the act will be a part of the Penguin Talent Show.
4. Students are expected to provide their own music. Please make an audio copy of your music before the audition and either **put music on a USB or email the music to Mrs. Stump at kestump@fcps.edu** prior to the audition. **You must come prepared. No cell phones please.**
5. **Filling out a permission slip does not mean that your child will be in the talent show. That will be determined during auditions.**
6. Students will be notified if they are a part of the final show.
7. Performances shouldn't be more than 3 minutes.
8. If you are singing, you must sing either Acapella or to background music with no words.
9. If you are performing in a group, **EVERY MEMBER** of the group must return a signed permission slip.

School Auditions will be held on **Tuesday, May 2, 2023** during the school day. Your child will audition during their specials time on that day. We are looking for the **BEST** talent. **ARE YOU THE NEXT TOP TALENT?**
