

Belvedere Career Day 2023!

February 22, 2023

Dear Teachers and Families,

May school counseling lessons are all about college and career.

Our 4th and 5th grade students will attend Career Day on **Wednesday, May 31 from 940-1140 a.m.** Career Day consists of students rotating to four different 20-minute sessions during the morning.

Our 1st, 2nd, and 3rd grades will have **a speaker come in during their classroom school counseling lessons in May.**

How can you help? We are seeking parents, family members or neighbors of students from any grade level who are interested in sharing with students about their careers. Those who are interested in participating should be prepared to give a short presentation (15-20 minutes) with time for questions. We hope to gather speakers from a wide variety of careers, to provide students an opportunity to get a closer look at occupations and to learn how the skills they learn every day in school relate to real life.

Please return the bottom portion of this paper by Monday, April 20th to allow us to begin planning for our presenters. We will contact you to give you further information once we have finished gathering information from all interested parents or community members. If you have any questions, please contact Tracy Ballard: tballard@fcps.edu or 703-916-6873. We look forward to hearing from you and seeing you at Belvedere!

Sincerely,
Tracy Ballard and Paige Simpson
School Counselors

Career Days at Belvedere
