

MAA AMC

American Mathematics Competitions

This year's Chantilly High School American Mathematics Competition (AMC) winners are:

AMC 10: Ray Zhao and AMC 12: Aryan Raj.

The American Mathematics Competitions are a series of examinations that build problem-solving skills and mathematical knowledge in middle and high school students. Based on the results of the AMC competition 3 Chantilly students qualified for the American Invitational Mathematics Examination (AIME), the next step in the competition.

AIME qualifiers: Justin Park, Aryan Raj and Ray Zhao.

For the first time in collective memory, a Chantilly student qualified for the United States of America Junior Math Olympiad (USA(J)MO), a 9 hour over 2 days test on Mar 21 and 22.

USAJMO qualifier: Aryan Raj

His preparation and diligence is exemplary!

Congratulations to all the winners! And a shout out to all AMC testers for a grand turn out this year!
