

Welcome To Saxon Country!

On behalf of Langley High School's Parent Teacher Student Association (PTSA), it is my pleasure to welcome back our current and new families to the 2023-2024 school year!

The PTSA works in conjunction with teachers, students, and administrators to provide financial support, programs and activities that enrich our students' learning experience. Last year, the PTSA purchased lab equipment, musical instruments, software, and other materials that support the curriculum throughout our academic, fine arts, performing arts, physical education, and special education departments. In addition, we funded programming for our students, faculty professional development, and improvements to common areas of our school. You can help the PTSA continue to support these programs by **participating** and **volunteering** at a PTSA sponsored event this year.

Participate by joining the PTSA ([Join Now](#)) and help us fund and support the programs outlined above.

Participate by attending our General Membership Meetings where you will learn about:

- Ways for you and your child to get involved at Langley
- What clubs, sports and Honor societies are the best fit for your student
- Learn about the college application process and the tools available at school
- Learn how to transition your student to college
- Learn about course selection and which are a good fit for your student

Participate by staying informed and subscribing to Langley eNews ([Subscribe Here](#)), the PTSA weekly newsletter which highlights important events in our community, or by visiting ptsalangley.org which also contains helpful information and useful links.

Volunteer at a PTSA sponsored event. Please click [here](#) to learn about the different volunteering opportunities, many of which do not require a substantial amount of time. Whether you can share several hours of your time or only an hour, there is a volunteering opportunity that is just right for you. PTSA volunteers are currently working to make the following activities possible:

Teacher Welcome Breakfast, New Family and Freshman Orientation Programs. In the coming months we will need volunteers for the following activities:

- Tailgate Party on September 8th
- The Reflections Art Contest in October
- The Vision and Hearing Screening in the Fall

If you have any questions or concerns, please feel free to contact me at ptsalangley@gmail.com. I look forward to working with you this year!

Joy Hohenthanner
Langley PTSA President 2023-2024
