PHOTOS

We will continue to collect Class of 2026 photos to be used for our Senior Video during graduation week. It may seem like a long way off, but graduation will come sooner than you can imagine. We can't be everywhere—so, when you see an opportunity, please remember to snap a pic! We need your help to ensure all students and all aspects of life at Langley are represented. **Share photos of great Langley memories as they happen - [upload them here](#) right from your phone or computer.** You can also share this link with your student so he or she can upload photos with their friends.

Looking forward to working together,
Alex Fouts (alexfoutso@outlook.com) &
