

A vibrant illustration of a county fair scene. At the top, a red and white striped curtain is pulled back to reveal a blue background. In the center, a teal sign with a red border and yellow dots contains the text 'COUNTY FAIR' in white, serif, all-caps font. Below the sign, a red and white striped tent with a yellow star on its top and a green arched entrance is visible. The tent is flanked by two vertical poles. Above the tent, a string of colorful triangular bunting hangs. On either side of the tent, there are colorful fireworks or confetti bursts. The entire scene is framed by the red and white striped curtains.
