

## Chesterbrook Elementary School

### Private Tutoring Options 2023/24

Dear Parents and Guardians,

As we begin our new school year, parents sometimes request private tutoring options for the school year. Below is a list of Chesterbrook staff who are available for private tutoring.

Parents are free to contact the staff members listed below to make such arrangements (pricing, subject matter, and frequency) for the school year. In this capacity, staff members are considered private contractors and any arrangements made are between the family and staff member.

During the school year, FCPS staff are not permitted to privately tutoring their own students for compensation. Grade level teachers run different programs throughout the year. Therefore, we do not have grade level teachers tutor their same grade level during the academic year.

The Family Resource Center also maintains a current list of all FCPS staff who are available for private tutoring. Parents may contact the Family Resource Center at [frc@fcps.edu](mailto:frc@fcps.edu) to request that listing.

FCPS has a new resource for all students- Tutor.com. This service provides unlimited access for students 24/7, on-demand, and online at no cost to families. Tutoring may be on-demand and/or scheduled at a time convenient for the student and/or family. Please visit [fcps.edu/resources/online-tutoring-services](https://fcps.edu/resources/online-tutoring-services) for more detailed information.
