

# Subscribe to the PTA Calendar

Use the links below or the corresponding QR code to subscribe to the Mantua PTA Calendar. In order to activate the QR codes, you will need to save the photo to your device. From your camera roll, hold your thumb down on the correct QR code and a link should pop up.

- Google Calendar (google calendar app must be installed on your mobile device or use google calendar from your computer):

<https://calendar.google.com/calendar/u/0/r?cid=mantuacalendar@gmail.com>

- Apple Calendar (native iPhone/Mac calendar) and most other calendars (e.g. Outlook):

<https://calendar.google.com/calendar/ical/mantuacalendar%40gmail.com/public/basic.ics>

## Why should you subscribe?

PTA and school related events (including those school holidays and early releases that sneak up on us all) will automatically populate in your calendar. It is a separate calendar so you can toggle it on and off if you don't want to see it. In addition to dates/times of events, the details of the event will include pertinent links, images, flyers, and locations. If you subscribe on mobile, simply click the location and your map app will give you directions.

If you have trouble subscribing, suggestions to improve the calendar, or identify any errors, contact Kathy Timberlake at [kathy.timberlake@gmail.com](mailto:kathy.timberlake@gmail.com).
