CLASS DESCRIPTION

CHESS

MAGNUS CHESS ACADEMY FORMERLY SILVER KNIGHTS

Learn chess with Magnus Academy (formerly Silver Knights), world champion Magnus Carlsen's academy! We've taught 100,000 children to play including state & national champions, but most students are beginners looking to learn a new skill and have FUN. Class time is divided between lessons and practice games. Lessons range from the basic rules to advanced tournament strategies. Students will have the opportunity to play in tournaments (in-person and online) outside of club time. This in-person club includes free online extras including weekly practice tournaments and an event with world champion Magnus Carlsen or Judit Polgar, the best female chess player of all time. All chess supplies provided. All skill levels are welcome. For more information please visit chessacademy.com.

3D ART

ABRAKADOODLE

Have a blast creating 3-D art using a variety of modeling compounds and other materials. We'll mold, bend, twist, stretch, balance while we design each unique creation. Learn about a variety of amazing artists while creating three dimensional artworks that are dynamic, creative and fun!

POTTERY AROUND THE WORLD

JIMMY POTTER WORKSHOP

Experience the magic of winter at Jimmy Potters Workshop, a captivating after-school ceramic program for kids. We bring the professional pottery studio to your school. In our 2024 curriculum, students explore global cultures, creating winter-themed projects like Russian Fabergé eggs and Japanese cherry blossom plates through clay and paint. Our skilled artist/teachers cater to all skill levels, offering challenges for experienced kids. Join us for a winter full of creativity and joy!

MOVEMENT AND MINDFULNESS

A'MORE

Specifically created for kids who are looking for an athletic outlet other than (or in addition to!) traditional team sports, this class will combine yoga, barre, and mindfulness techniques to tap into physical and mental wellness. We will explore dynamic methods of movement each week (think: a fast-paced barre class with an awesome playlist! A gentle yoga series with balance poses!) and also spend a portion of class reflecting by writing in our journals. This class will teach little learners that fitness is all about how you feel, and how to do things you love to stay fit. On the final day of this class, parents will be invited to join us for a special Amore student-run class!

BUDDING ENTREPRENEURS

SPARK BUSINESS ACADEMY

This program empowers students with an entrepreneurial mindset to run their very own "business" – drawing from such disciplines as marketing, finance and strategy, in a supportive environment fostering teamwork. From designing marketing flyers to estimating profits, students have fun while developing business savvy!

FLOUR POWER

ICOOK

Our pastry-chefs-in-training will learn about the power of flour in our new Baking and Sweets course. We will explore ingredients familiar and new to bake savory and sweet dishes. Students will make Fudgy Pumpkin Brownies, Blueberry Muffins, Dessert Fruit Salsa, and so much more! Foundational cooking skills will be taught, including proper techniques for measuring, mixing, slicing, dicing, and of course, kitchen safety! We hope to see you in the kitchen soon.

CLASS DESCRIPTION

KARATE KAIZEN KARATE

This popular class is a disciplined introduction to the sport by Kaizen Karate. Your child will learn the beautiful art of karate while gaining safety and defensive skills in a respectful environment. The class will also emphasize the basic karate principles of focus, patience, and self-discipline. Returning students will continue to work toward new belts while first-time students will be able to start the belt program.

ARTISTIC DRAWING WITH YOUNG REMBRANDTS INNOVATIVE MINDS DBA YOUNG REMBRANDTS

Encourage your child's enthusiasm for art and help develop his or her drawing skills with a Young Rembrandts™ drawing class. Young Rembrandts™ Drawing curriculum uses a structured stepwise format to teach elementary students useful drawing skills, while developing creative thinking strategies. Students deconstruct complex objects into familiar shapes; then use problem-solving and imagination to make their own works of art. Innovative reasoning skills are developed through creativity, collaborative communication, and critical thinking. A variety of engaging images challenge students with realistic, abstract and graphic art styles. Our Artistic Drawing curriculum develops academically relevant skills, including spatial-motor planning, mental discipline and fine motor skills, while providing a fun, enriching experience for our students. New lesson every week.

BOOK PUBLISHING A'MORE

Embark on a literary adventure to becoming a published author! In this dynamic course, budding writers will unleash their creativity, honing essential skills in storytelling and creative writing. From crafting captivating tales to exploring the fascinating journey of bringing stories to life in print, our young authors will discover the magic of the book publishing process. Join us for a journey where every child becomes a published author, weaving stories that will captivate both hearts and bookshelves! (Note: option to purchase a professionally bound book)
