CURRICULUM NIGHT

An opportunity for our rising 7th and 8th grade families to learn about all the courses available to their students during the 2024-2025 school year.

- ✔ Meet our core and elective teachers, counselors, and administrators.
 - ✔ Attend an information session to learn about math and core pathway options. We will be offering the information session at 6pm and 6:45pm.
 - ✔ Students are welcome to attend as well!
