

We are preparing for our Career Fair, “We are the Future, 2024!.” The purpose of our career fair is for our students to further prepare them for the future, provide them with information about the World of Work, and have lots of fun!

This is our fourth annual career fair; we are *EXTREMELY* excited to invite you to participate with us!! We need you or 1-2 representatives from your place of employment. We will have tables and chairs positioned for you in our gymnasium. At your table, you may dress in the clothing you wear for your career, provide information, show a video, answer questions, hand out literature and/or promotional items & enjoy interacting with the work force of the future!!

We have set this year’s date for **Friday April 26, 2024 from 1:15-3:30**. This time will allow our career fair to come to a close with the option to exit the building before dismissal at 4:05. Participating parents may wait to pick up their children at dismissal.

Students in grades K through 6 will be participating over three sessions. As such, we will be sure to send out more logistical information closer to the date.

If you know someone who is interested in participating- a neighbor, loved one, relative, colleague, friend, Fairhill parents/caregivers, your place of employment or service provider, ex. your electrician, your medical provider, your hairdresser or barber, etc... please forward to interested participants, or connect them to us!
