

Math Enrichment Session with the WTW Math Honor Society.

On Thursday, March 14, 2024, the Woodson Math Honor Society students are coming to Fairfax Villa Elementary School to offer the 4th and 5th grade students a fun and exciting enrichment experience!

Your student will complete activities with fractions, decimals, and order of operations. They will also have a chance to interact with great Woodson students!

This event will begin promptly after school at 4:05 p.m. in the cafeteria and end at 5:15 p.m. If your student is interested in attending, please sign below and return the permission slip back to your student's teacher by Monday, March 11th.

You are responsible for picking up your child at the cafeteria at 5:15 p.m. or arranging for another adult to pick up your child. No 4th or 5th grader will be permitted to walk home, even if they normally walk or bike.

We look forward to working with your student!
