## About Us

HealthWorks for Northern Virginia is a Non-Profit Federally Qualified Health Center (FQHC) offering Medical, Dental and Behavioral healthcare to all patients from newborns to seniors. HealthWorks centers are Federal Torts Claims Act (FTCA) deemed centers that provides services regardless of age, race or ethnicity, insurance, or ability to pay. Our mission is to provide quality and culturally competent care accessible to all. We currently operate five full-service healthcare centers with locations in Fairfax (Herndon, Reston, and Sully District) and Loudoun (Leesburg, Sterling) Counties. We have a large team of bilingual staff. Our staff includes Family Practice, Pediatric, Gynecologic, Behavioral Health, Psychiatric and Dental Providers.

You can find more information on our website about our services and how to support us

## Our Services

- Medical & Dental Care for Adults and Children
- Psychiatry & Counseling
- Prescription Assistance
- Sliding Fee Program/ Health Insurance Enrollment Assistance
- Language Assistance Services
- Specialty Care (By Referral Only)
- After Hours Nurse Advice Line

**We Accept All Insurances,  
Medicaid & Medicare.**

## Behavioral Health

HealthWorks provides patients with comprehensive behavioral/mental health services that are fully integrated with our primary health care program.

## Dental

HealthWorks dental program provides high-quality, full service dental care, at low cost, in our Leesburg & Herndon centers for our primary care patients. In addition to treatment, patients and their families receive oral health education about the causes of tooth decay, the importance of good nutrition and how to practice good oral hygiene.
