As an FCPS student, you can now check out up to 3 public library books at a time for six weeks each (no renewals) **WITHOUT an FCPL library card**: just give your name.

***No fines or fees ever!***

You can also have a regular FCPL account (so you can place holds on books, access ebooks, etc.) Have a parent **click here** if you do not yet have an FCPL library card for a regular FCPL account.

## **Finding books and other things (print and electronic) for reading on your own, year-round**

**Instructions** for logging into the **ATES library catalog** in order to:

- Find out if we have a particular title and if it is currently available
  - Place holds on books that are currently “out” (so they can be delivered to the classroom when they are available)
  - Open and read (or reserve) **eBooks**: if there is a popular title that is often checked out and unavailable, see if we have it as an eBook and read it on your device!
-

## [eBooks and Audiobooks](#)
