Carter G. Woodson Art Competition

Hosted by: Carter G. Woodson Renaming Committee

Information:

Be a part of Woodson's historic transition! The Carter G. Woodson Art Competition's goal is to incorporate the students' art and expressions within Woodson High School's transition into Carter G. Woodson High School. Artwork submitted will be incorporated into programs, social media, and the school's decoration. Along with that, artists could be recognized for their artwork by state legislators and officials at our rededication ceremony in October, 2024.

The Carter G. Woodson renaming committee has 3 overarching themes for this process:

1. Transform: Transform our school's name, along with our mission, goals, and body.
2. Unify: Unify our school under an integrated message.
3. Empower: Empower our community, students, staff, and members with knowledge about our past, present, and future.
