Private Summer Tutoring Options 2024

Dear Parents and Guardians,

As we close our 2023/24 school year, parents have requested private tutoring options for summer. Below is a list of Chesterbrook staff who are available for private tutoring. Parents are free to contact the staff members listed below to make such arrangements (pricing, subject matter, and frequency). In this capacity, staff members are considered private contractors and any arrangements made are between the family and staff member.

The Parent Resource Center also maintains a current list of all FCPS staff who are available for private tutoring. Parents may contact the Parent Resource Center at prc@fcps.edu to request that listing.

FCPS has an additional free resource for all students- Tutor.com. This service provides unlimited access for students 24/7, on-demand, and online at no cost to families. Tutoring may be on-demand and/or scheduled at a time convenient for the student and/or family. Please visit fcps.edu/resources/online-tutoring-services for more detailed information.
