

PLAY THE VIOLIN, VIOLA, CELLO OR BASS AT SPRINGHILL ELEMENTARY SCHOOL!

Your child has the chance to start a string instrument or continue in the Springhill ES orchestra. As the orchestra teacher, I'm very excited to teach your child. I love children and am passionate about music. I have many years of teaching experience in the United States and abroad. My goal is to create a fun environment where students will be challenged and learn how to play their instrument to the best of their ability. It's open to all 3rd, 4th, 5th and 6th graders. We meet once a week, during school hours. When you enroll your child, this is a **year-long commitment**. Please return this form to your child's classroom teacher. PRINT CLEARLY PLEASE and return by 8/28/24
