Join the Parent Teacher Student Organization (PTSO)

@ South County Middle School for 2024 - 2025!

Our purpose is to support, promote, and strengthen the education process for all students through active communication and collaboration between school, home, and the community. Everyone is invited to be part of this process. 100% of membership dues actively support this mission by providing resources for student recognition, instructional materials, staff development, team building, and other school events beyond what the FCPS budget allows.

In addition to joining the PTSO, you can support our school by 1) Scanning receipts or clipping & sending in your unexpired Box Tops, 3) Supporting fundraiser dinners 3) Getting involved by volunteering your time and talent.

The following are examples of events held in previous years and we may have some new things available this year as well:

 □ SCMS Spirit Wear – an online spirit wear store will □ Back to School Night 	be available at select times throughout the year.
☐ Quarterly PTSO Membership Meetings
