

Bucknell Working Group Volunteer Sign-Up

A Bucknell Working Group is forming to solicit feedback from parents, families, teachers, students, and staff to determine which programming options have the greatest interest and support. This Working Group will be comprised of Bucknell administrators, staff, PTA members, community members, and county representatives, specifically our School Board Member Mateo Dunne, and Regional Assistant Superintendent for Region 3, Ray Lonnett. Members of this Working Group are responsible for engaging with the broader community to seek feedback on feasible options, answer questions from the community, and keep the community apprised of Working Group progress. These meetings may result in some follow up work to be achieved prior to the next scheduled meeting. Notes will be taken at each meeting to ensure accurate representation of the meeting discussions for the broader community. Two-way translation (Spanish and English) will be available, provided by fellow team members.

If you are interested in contributing ideas for programs you would like to see offered for Bucknell students, please send you ideas and/or comments to: Nelda Brown at nnbrown@fcps.edu
