- ★ Upon arrival, parents will be asked to share their plan for ALL 7 of the early release Mondays (Students will be sent home at 12:25. As a last resort, if supervision is needed, coverage by non-classroom adults will be provided until dismissal at 3:25). Parents will then join their child’s classroom teacher for the evening presentation.
- ★ At the beginning of each session, there will be a short video featuring some important updates from the School Board, Superintendent Dr. Reid, the PTA and Principal Bob D’Amato.
- ★ Times are staggered on September 11th so parents may attend presentations for more than one grade level. We have allowed for a 10-minute overlap, so parents of multiple children will only need to view the video once.
- ★ There will be no child care provided. Please plan accordingly.
