(Google, 2025)

In honor of Read Across America Week, Willow Springs is looking for bookmark designs.

## Rules:

1. Design a **colorful** bookmark inspired by your favorite book or your love of reading.
2. Use markers and bright colors for your artwork. Light colors and crayons/colored pencils tend not to show up well when we make copies.
3. Write your first name and grade on the bookmark design.
4. Only one entry per student.
5. Submit this paper copy to our WSES library. For printing purposes, we only take bookmarks done on this template.
6. Bookmark designs are due to Mrs. Hurley by **February 21, 2025**. No late entries.
