

ROCK YOUR SOCKS

WORLD DOWN SYNDROME DAY

March 21st is World Down Syndrome Day. The date 3/21 is significant as it was selected to represent the trisomy of the 21st chromosome which causes Down Syndrome. *Fun, crazy socks* have become symbolic of Down Syndrome awareness. The sock initiative was created to get people talking and asking questions about Down Syndrome. There are many organizations today that create crazy socks to raise money and awareness for Down Syndrome.

Students and Staff are invited to wear your own crazy socks on March 21st!
