From Our Art Teachers

“

Thanks to the generosity of our PTA and the success of our Boosterthon, our young artists now have even more opportunities to explore, create, and bring their imaginations to life! The new materials—brayers, sponges, brushes, and more—are making a real impact in our classrooms.

Your support gives students the chance to experiment, grow, and expand their artistic skills in new ways. We are so grateful for your commitment to enriching their creative journeys!
